GENERAL INFORMATION

WHAT DOES THE USSSA LIABILITY POLICY COVER?

The General Liability Policy protects you from lawsuits arising out of bodily injury or property damage to others during the practice or play of the insured sport.

WHAT DOES THE USSSA ACCIDENT POLICY COVER?

The Participant Accident Policy pays for covered medical expenses incurred within one year after an accident, to a maximum of \$100,000 per accident for each insured person. Treatment must begin within 30 days of an accident.

Coverage is provided on a secondary basis. If other collectible insurance is in force, it must be used as primary. If no other coverage is in force, this coverage becomes primary.

IS ANY INSURANCE PROVIDED WHEN MY TEAM REGISTERS WITH USSSA?

NO. Registered teams are eligible to purchase USSSA team insurance.

IF MY ENTIRE LEAGUE REGISTERS WITH USSSA, ARE ANY INSURANCE BENEFITS PROVIDED?

Yes. Liability Coverage is provided for league officers and board members while acting in that capacity. The coverage limit is \$2,000,000 for policies purchased with an expiration date of August 1, 2015 and \$3,000,000 for policies purchased with an expiration date of January 1, 2016. Yes. This is crucial coverage which is often excluded on other general liability policies.

ARE WAIVER FORMS REQUIRED IN THE USSSA GENERAL LIABILITY PROGRAM?

Generally, NO. We strongly urge all participants to sign a waiver, but failure to do so will not jeopardize coverage. Waivers are included in the USSSA roster forms.

NOTE: Adult Slow Pitch Softball is required to use Waivers

ARE THE USSSA GENERAL LIABILITY POLICIES WRITTEN ON AN OCCURRENCE OR ON A CLAIMS MADE FORM?

An occurrence form. With an "occurrence" based policy, even though the policy may have expired as of the time the insured received notice of the claim, the policy will afford coverage for a covered loss

A "PERSON WITH DISABILITY" REQUESTS TO PARTICIPATE IN A USSSA EVENT. WHAT PROCEDURE SHOULD YOU FOLLOW?

You should request a waiver/assumption of risk form from EPIC Brokers. This form must be signed prior to participation in the activity in question.

TEAM/LEAGUE INSURANCE

WHY SHOULD MY TEAM/LEAGUE PURCHASE ACCIDENT MEDICAL INSURANCE?

Many Americans are not covered by health insurance. The USSSA accident medical insurance becomes primary in the event the injured party has no medical insurance. Medical costs are extremely high, and failure to purchase insurance could be financially disastrous. If primary medical coverage is in place, our policy will still respond to the amount unpaid by your primary carrier, up to the usual and customary charge. Most primary policies have a substantial deductible and/or co-insurance payment. Therefore, if the USSSA coverage is used as secondary, the financial burden of a large-out-of-pocket expense can be greatly reduced or eliminated.

WHY SHOULD MY TEAM/LEAGUE PURCHASE LIABILITY INSURANCE?

Players, coaches, managers, and even team sponsors, and volunteers are at risk of being sued from sports related activities. There is no such thing as an “accident” in today’s lawsuit-happy society. Our general liability policies will provide protection in the event you are sued by a spectator or a participant. Coverage is provided for legal fees as well as any court judgment up to \$2,000,000 for policies purchased with an expiration date of August 1, 2015 and \$3,000,000 for policies purchased with an expiration date of January 1, 2016 per occurrence, no aggregate limit.

WHO IS COVERED BY TEAM INSURANCE?

Coverage is provided for players, coaches, managers, team sponsors, scorekeepers, and other team volunteers.

WHEN DOES MY COVERAGE BECOME EFFECTIVE?

If mailed, the day USSSA receives and processes the application and check for the full premium. The address for USSSA is 611 Line Drive, Kissimmee, FL 34744. If purchased online, immediately upon credit card approval.

WHEN DOES MY COVERAGE END?

Most sports can purchase policies ending on either August 1st 2016, or January 1st 2017.

WHAT IS THE POLICY LIMIT ON THE ACCIDENT MEDICAL INSURANCE?

The accident medical limit is \$100,000 per occurrence.

WE ARE A USSSA REGISTERED TEAM. DOES OUR REGISTRATION PROVIDE US WITH ANY INSURANCE PROTECTION?

WHAT IS THE MAXIMUM NUMBER OF PLAYERS COVERED BY TEAM INSURANCE?

2. After the exact number of teams is determined, and prior to the start of league play, submit the payment for the balance of the teams, along with a list of all insured teams names.
