Player Classification policy and point system. To help us with classifying each team in the Conference, players are rated by points.

For Example:

A player on the Major Player list will have a point value of 1.25

A player on the Watch List will have a point value of .75

The total point value **guideline** below should be used in trying to determine your classification. Keep in mind that this is only a guideline and the classification of each team will be determined by the Conference USSSA Classification Committee.

AA	-	Unlimited
A	-	5.0 points
B	-	2.0 points
C	-	No points

There will be a new rule for A. 5 roster points max but for the season you can only have 7 points. All roster moves and swaps have to be approved. Meaning if you have 5 and drop a 1.25 and pick up a 1.25 you still have 5 points but for the year you have 6.25 so you only have 0.75 left to swap out for the rest of the year.

To assist you in determining classification, the current Women's Major Player list and Watch list are available on the USSSA website at

<http://web.usssa.com/usssa/usssa-general/WomensMajorPlayerList.htm>

To appeal placement, a player must email, Dale Weiser at Dale.Weiser@usssa.com

This should eliminate the confusion of team classification throughout the year and make for even better parity amongst teams at our World Tournaments.

2019 Schedule: There will be only two (2) Dual events this year, Myrtle Beach, South Carolina and Kent, Washington, both these events will be 180 + 4 Points per team entered. There will also be four (4) other Conference Tournaments designated with the same point totals: Manteca (CAN), Tulsa (OK), Portland (OR-2nd event) and Atlanta (GA).

The World Tournament dates for 2019 are:
